

**REMARKS**

Claims 38-66 are pending herein. Original claims 1-37 have been canceled hereby in favor of the new claims.

Present claims 38-66 have been drafted to focus on particular aspects of the present invention, relating to ceramic members having refractory decals that survive high temperature exposure by maintaining resolution and integrity. The new claims are fully supported by the originally filed application, and examination on the merits is respectfully requested.

Respectfully submitted,
